A green score means that 18 holes were not completed and a NR was recorded. This is not included in the aggregate score. The winners of the SWS i.e. first, second and third, possibly more depending upon the total number of cards submitted, are the players with the best **four** scores over the whole period, viz 1st November 2019 to 31st January 2020. The best four scores for each player are in bold type. \* Less than four cards submitted.

Note: Any cards with a score of 37 points or over will be submitted to the WGC Competitions Sub-Committee for handicap review.
