Format will be Stableford (Full Handicap) from the Yellow Tees.

Latest News:

Competitions: We have now played 11 Competitions and I am delighted that on average each event has seen 60 Seniors take part. The competitions have also resulted in twenty new Seniors joining our section. We now have 150 members actively participating in the Seniors Section.

Seniors Secretary: After 10 years as our Seniors Secretary Alan Nash will retire at the end of this season. Alan has been a real asset during this period and without him we would not have evolved such a brilliant diary of Matches and Competitions that has enabled us to play at some great clubs on the South Coast. Alan supported 10 Seniors Captains during this period and I know they, and all Seniors, will join me in thanking him for his valuable and unselfish support.

If you would like to replace Alan in this vital role please contact him to discuss what it entails and then put your name forward if you would like to replace him at the next AGM.

World Handicapping System (WHS). Don't forget the new WHS comes into force on Nov 2nd. The Club has sent out lots of information so you should all be up to speed with what it means. If, however you need any more information then contact Steve Scaife at stevescaife1@gmail.com and he will try and answer any questions you have.

2020 Season. It has been a very frustrating year to be the Seniors Captain. We have not been able to take part in any of the activities that my predecessors enjoyed organising. Apart from the Competitions I have had very little to do on your behalf. Let's hope 2021 gets better as we begin to return to a more normal season.
